

Good work awarded

■ Founders of Zip Zap Circus School, Brent van Rensburg and Laurence Estève, were awarded the highest Rotarian honour for the work they do in the Cape Town community: the Paul Harris Fellow award. The Rotary Club of Claremont presented the award to the Zip Zap founders on Tuesday November 29, in recognition of the number of underprivileged children and youth that have benefited from the circus school programmes over the years. From left, are Brent van Rensburg, Laurence Estève and Ian Robertson.
