IN JOINING in on World Circus Day yesterday, the Zip Zap Circus did their pop-up shows around the CBD. At the Bart Simpson Statue in St Georges Mall members of its Dare to Dream (D2D) programme put on a show. The D2D aims to alleviate poverty and reduce unemployment by using circus arts as a practical medium to teach soft skills, technical skills, artistic development and teaching capabilities. The CCID said encouraging and facilitating the Zip Zap performances was one of the ways to remind people of what the CBD has to offer. | PHANDO JIKELO African News Agency
